STUDENT AND PARENT CONSENT FORM

As parent or guardian of Adrian Sigala, a student at the Weber Institute of Applied Sciences and Technology, I am aware that my child has received a copy of the *Weber Portfolio Guidebook*. As a whole, the projects described in the *Weber Portfolio Guidebook* demonstrate my child's success at the Weber Institute and his or her capabilities as a future employee and/or college student. I understand that my child must adequately complete all components of the Weber Portfolio in order to graduate from the Weber Institute.

The topic of my student's Research Paper is popular 2D games and how they are developed.

For the Physical Project, my student has decided to develop a 2D game from scratch.

I understand that the selection of a physical project is the responsibility of the student. I understand that this project involves a minimum of 15 hours of work. I also understand that teachers will be available to help my child with various components of the Weber Portfolio. I understand that my child can select a project that requires no expense. I also understand that if my child selects a project that involves a personal expense, I will provide the financial assistance necessary to complete the project.
